Venue

GRAND MERCURE BANGKOK ATRIUM

1880 New Petchburi Road, Bangkok Huay Kwang, Bangkok, 10310 Thailand

Bangkok, Thailand is a Vibrant Metropolis and it is the capital & largest city of Thailand. It serves as the economic, cultural, and political hub of the country. While preserving its cultural heritage, Bangkok has embraced modernity with a skyline featuring towering skyscrapers, shopping malls, and contemporary architecture. Bangkok hosts various cultural events and festivals throughout the year.

Bangkok's dynamic blend of tradition and modernity, combined with its warm hospitality, makes it a captivating destination for travellers seeking a diverse and immersive experience in Southeast Asia.

Bangkok Familiarities

The Jim Thompson museum showcases traditional Thai architecture and an impressive collection of art and antiques.

Chinatown and Khao San Road are renowned for their delicious and affordable local dishes.

Lumpini Park provides a tranquil escape in the heart of the city.

Bangkok is a shopping haven with modern malls like Iconsiam, Siam Paragon, and Central World offering high-end brands, entertainment, and diverse dining options.

Tourist Attraction

- Grand Palace, Bangkok
- Wat Arun, Bangkok
- Damnoen Saduak Floating Market, Bangkok
- Siam Paragon
- The Golden Mount
- Central World

Past Event Report

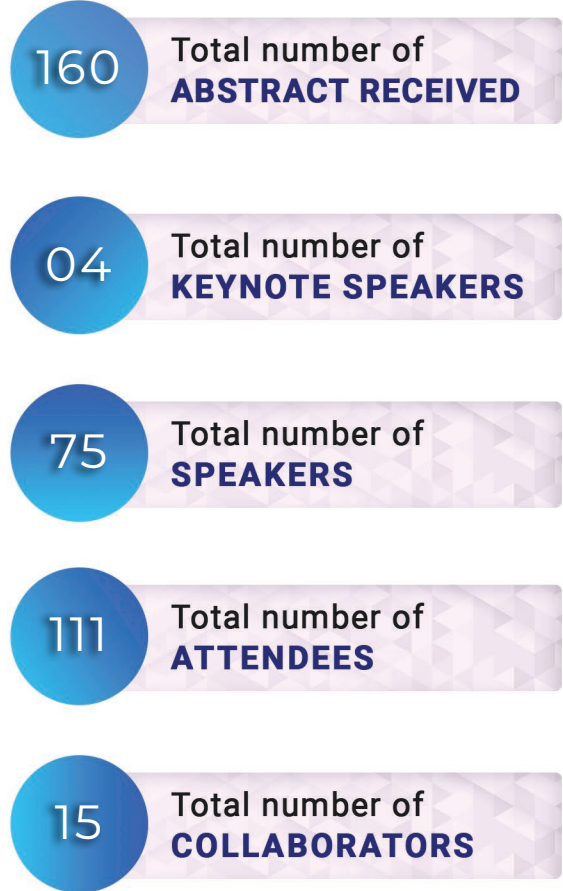

About Past Event:

With the great support of OCM, Speakers & Delegates, Scientex Conferences successfully hosted the conference “3rd Global Meeting on Diabetes and Endocrinology” on November 27-28, 2023 in Dubai, UAE at City Seasons Dubai Hotel. The Diabetes conference hosted in the Theme “Modern medical research and application on diabetic condition & endocrinology function”.

First of all, Diabetes 2023 would like to take the immense pleasure of thanking all the Keynote speakers, oral speakers, poster presenters and delegates from all around the globe who contributed their research work in the conference. We would like to felicitate the Keynote speakers: Dr. Malineat Ung, Dr. Mohd Rafee Baharudin, Dr. Manfred Doepp from various Universities and Companies who supported the conference for great success. Our Moderators (Lucas Faria de Castro, Brazil & Eduardo Burbano Camacho, Colombia), who host and coordinated the conference for smooth running.

With the success and positive feedback of the past conferences from 2021 to 2023, we would like to announce the upcoming conference in the series “4th Global Meeting on Diabetes and Endocrinology” scheduled on November 25-26, 2024 in Bangkok, Thailand.

We are excited to have you join us in the enlightening event. Looking forward to see you in Thailand.
