SCAN ME

Welcome

Scientex conferences host a plethora of events in various fields, including Medicine, Pharma, Health Science, Life Science, Engineering, and Technology. We organize all our events with the utmost care and diligence, providing top-notch facilities and infrastructure for smooth and successful knowledge transfer among attendees. Our goal is to solve modern scientific problems for the betterment of our lives.

Scientex conferences focus on achieving greatness by offering excellent opportunities for professionals to explore the scientific research community and introduce potential breakthroughs. We provide a fitting platform for eminent speakers, innovators, inventors, industry professionals, scientists, academicians, established authors, scientific editors, medical physicians, medical service providers, nursing professionals, research associates, analysts, and students to exchange ideas and find solutions to major global challenges.

Our conferences are highly successful, featuring high-quality interactive technical sessions with recent research findings and futuristic trends. We focus on providing workshops and symposiums through well-established industrial and academic tie-ups with various professional bodies, organizations, and top-rated universities worldwide. **(click here for more)**

About Conference

With the success of previous conferences of Diabetes, Scientex Conferences would be glorious to declare the upcoming conference "**6th Global Meeting on Diabetes and Endocrinology**" scheduled on **November 20, 2026** in **Bangkok, Thailand**.

The theme focus on the conference is **Bridging Research and Clinical Practice in Diabetes and Endocrinology**

With the great achievement of Diabetes 2025 conference held in Dubai, UAE, we take an immense pleasure to welcome all the diabetologist, endocrinologist, diabetes researchers, scientist, general physician, family medicine doctors, research scholars, nutritionist, dietician, pharmacologist, diabetes business executive and internal medicine specialist from all over the globe.

We assure that this conference will provide more innovative ideas and we hope that this is a best platform for diabetes gathering. Meet our global experts from different Nations at the City of Angels, Bangkok, Thailand!.. **(click here for more)**

Presentations

Day Concludes

***Note: You are requested to be present at the event right from the introductory session as there might be some changes in the event schedule and so the presentation timings may vary. In that scenario, your presentation slot may get preponed or postponed by a fair deal of time (in rare cases) to ensure a smooth running passage of the program without any delay. So, we request you to please be prepared to present your work whenever your turn comes up. Your understanding in this regard is very much appreciated.**

Speaker slots are available. To book your slot, please mail us at diabetes@scientexevents.com
